

For The Lost

By Melissa Kiritsis

I wish this wasn't happening
I cannot believe that we are here
Saying goodbye to your beautiful soul
It all seems so surreal

I wish I knew you were trapped
By the darkness and alone
And couldn't see the light
To guide your sweet soul home

I wish I could have told you
That I have been there too
And never thought I'd find my way out
Just the same as you

I wish I could have told you
To hold on one more day
That the fire burning in your heart
Will fade and go away

I wish I could have lead you
To the light that I have seen
And reassured your broken soul
I've come back from where I'd been

I wish that you are peaceful
And there is lightness in your chest
That the weight has lifted from your heart
And your soul has gone to rest

I wish that I could show you
How much you are loved and missed
And every life you've touched on Earth
Has been truly blessed
