

## **WINTER BLUE...**

**By Nicole Jordan**

[winter blues](#) Don't be blue as the weather the grays in the winter.the long days can turn the dreary And weary.yet we can find inner sunshine keeping the mind healthy. While flexing the muscles of your cortex..inside or doing crosswords suduko or writing or feeling adventurous try snowboarding ,sking,or simply building snow angels or snow creatures or Simple snow man...many cozy up to the fireplace season or draggin a warm blanket or 2 cuddly in your pjs to sipping away on decadent hot chocolate. pippinhot chocolate chip cookies for the kiddies.for the gentlemen television sports..including hyped  the Superbowl and infamous half time show.teens and music fans numerous award shows to view.for the FASHIONISTA the winter boots .cozy sweaters.flashy faux fun coats.layers to suit your to

keep warm and fashionable.

winter blues should never take way or shadow your joy.keep busy happy hearts can run emotions.joys  
funs or seasons and jolly winter greetings.
