

NAMI Atlantic/Cape May

July 2, 2020

Greetings to NAMI members and stakeholders,

I am honored and humbled to have been elected president of our affiliate for the 2020-2024 term and, thrilled to work with a dynamic, committed board of directors. Cindy Chemerys ran the election process very smoothly which ended on Jun 8. On June 16, the board voted for its officers. The pandemic will not prevent our new board of directors from serving our affiliate to the best of its ability. Thank you for rolling up your techy sleeves to join our support and education programs through the ZOOM platform during this COVID 19 crisis.

Executive Committee

President-Abbie Katz
