## Masks Make The Difference Program

### National Campaign to Encourage Face Mask Usage

We believe in the protection of masks against the COVID-19. It is the simplest and one of the best tools to lessen the spread of the virus. To that end, NeedyMeds is offering our branded, high-quality, three-layer-thick mask as a donation premium (the donor decides how much to donate). Visit

[MasksMakeTheDifference.org](https://MasksMakeTheDifference.org) for more info, sizing and donating options.
