## CAMHOP Online Self-Help Groups 金鶴心理健康線上互助會

Social distancing doesn't mean social isolation. CAMHOP is devoted to serving families and individuals with mental health conditions, who need support more than ever in trying times like this. Aligned with NAMI NJ's statewide online support group guidelines, and thanks to the labor of love from our trained facilitators, CAMHOP has launched online support group meetings for Chinese American families across the state since April 2020.

Monthly Meeting Schedule and Registration Form are available on CAMHOP Webpage
