

RESEARCH OPPORTUNITY

NAMI New Jersey (NAMI NJ) is committed to improving the lives of people impacted by mental health conditions through effective treatments, equitable public policies, and greater knowledge and understanding in society. Research is essential to advance each of these goals.

NAMI NJ does not accept financial compensation for recruiting research participants. NAMI NJ also does not endorse any products or treatments. We share these research opportunity notices with you, our field leaders, to distribute at your discretion if you believe that members of your community may be interested in participating in these studies.

If you have questions about research at NAMI NJ, please email research@naminj.org.

WHAT IS THE STUDY?

NAMI is working with a clinical research partner seeking to understand more about people's experiences with treatments for serious mental illness. We are looking for 60 adults with an SMI diagnosis and 30 caregivers of individuals with an SMI diagnosis to participate.

WHO CAN PARTICIPATE?

- **Individuals with an SMI diagnosis:**
